

**CURRENT DERF  
PROCESS**

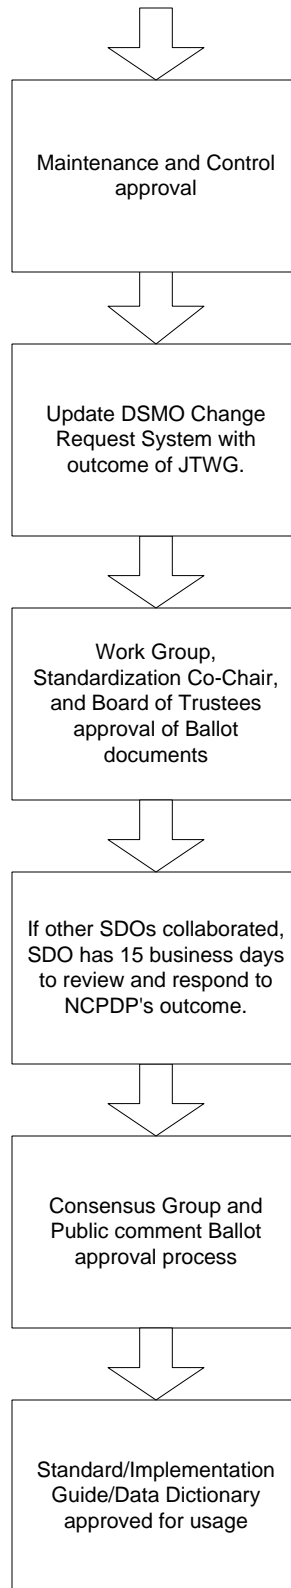

The Current DERF Process will remain the same for all Standards not named in HIPAA regulations.

**A Telecom, Batch, or  
Medicaid Subrogation  
Standard DERF Submitted  
through NCPDP Process –  
Goes through DSMO  
Change Request System  
(CRS)**

**A Telecom, Batch, or  
Medicaid Subrogation  
Standard DERF Submitted  
through NCPDP Process –  
Goes through DSMO  
Change Request System  
(CRS)  
(cont'd)**

**A Change submitted  
through DSMO Change  
Request System**

Five (5) business days after  
End of Month, MC Staff  
Liaison notified of DSMO  
Change Requests

Standardization & MC Co-  
Chairs review all DSMO  
Change Requests and  
choose which NCPDP will  
respond or collaborate. 10  
business days to respond.

Data Element Request  
Form approved by  
Standardization & MC Co-  
Chairs for Work Group  
review

90 calendar days to do  
business analysis of  
Change Request (with one  
45 day extension). This  
means DSMO DERF will be  
reviewed at next JTWG  
meeting.

DERF review and approval  
at Work Group

Maintenance and Control  
approval

**A Change submitted  
through DSMO Change  
Request System cont'd**
