Re: NCPDP Telecommunication Standard Implementation Guide Version D.Ø Enhancement

Dear NCVHS Subcommittee on Standards;

The National Council for Prescription Drug Programs (NCPDP) is notifying the NCVHS Subcommittee on Standards about the request to OESS regarding an enhancement to the NCPDP Telecommunication Implementation Guide version D.Ø requested by the industry.

From the process taken during a correction request in 2010, NCPDP does not believe further action of NCVHS is requested than the notification.

Attached is the letter that was sent to OESS explaining the enhancement and the actions.

NCPDP continues to assist NCVHS and OESS in the support of HIPAA. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Lynne Gilbertson", written in a cursive style.
