## FOR IMMEDIATE RELEASE

### **NCPDP Welcomes Medversant to its Exclusive Elite Partner Program**

**SCOTTSDALE, AZ – April 30, 2015** – [NCPDP](#) announced today that [Medversant](#) has joined NCPDP's Elite Partner Program. The NCPDP Elite Partner Program provides a limited number of organizations the unique opportunity to demonstrate long-term, strategic alignment and support for the work of NCPDP. Medversant is the second company to join the program; NCPDP may accept up to 10 companies into the Elite Partner Program.

"We are pleased to welcome Medversant as an Elite Partner," said Lee Ann Stember, President of NCPDP. "Medversant's support for NCPDP has increased over the years, and its commitment as an Elite Partner is a strong reflection of its dedication to NCPDP and the innovative, cost-saving business and patient safety solutions that are created by our members."

Elite Partners provide a level of sustained financial support totaling \$225,000 over a 3-year period. Funding from the program can support NCPDP's operations, its work in advancing interoperability, and its continuing evolution as the forum for healthcare business and patient safety issues.

Matthew Haddad, CEO of Medversant, explained, "We're pleased to expand our support of NCPDP as an Elite Partner. NCPDP's standards and patient safety solutions are foundational to improving healthcare, and we are deeply committed to our shared goal of developing transformative healthcare solutions. It fuels our passion and innovation in providing quality provider data management and credentialing services to improve the cost and quality of healthcare every day."

For information on how to participate in NCPDP's Elite Partner Program, contact [Phillip Scott](#), Senior VP, Business Development, NCPDP.

#### **About NCPDP**

Founded in 1977, NCPDP is a not-for-profit, ANSI-accredited, Standards Development Organization with 1,600 members representing virtually every sector of the pharmacy services industry. Our diverse membership provides leadership and healthcare business solutions through education and standards, created using the consensus building process. NCPDP has been named in federal legislation, including HIPAA, MMA, and HITECH. NCPDP members have created standards such as the Telecommunication Standard and Batch Standard, the SCRIPT Standard for ePrescribing, the Manufacturers Rebate Standard and more to improve communication within the pharmacy industry. Our data products include dataQ®, a robust database of information on more than 76,000 pharmacies, and HCldea®, an innovative prescriber database that provides continually updated information on more than two million prescribers. NCPDP's RxReconn® is a legislative tracking product for real-time monitoring of pharmacy-related state and national legislative and regulatory activity. For more information about NCPDP Standards, Data Services, Products, Educational Programs and Work Group meetings, go online at [www.ncpdp.org](http://www.ncpdp.org) or call (480) 477-1000.
