BUDDY PROGRAM

Getting started with NCPDP

New Member	1st year	Based on membership category and work group interests.	The Buddy makes a difference to new members by helping them navigate through NCPDP and access resources available to them.	No formal structure; the Buddy and new member are free to determine the frequency of communication between one another.	Attend the New Member Luncheon together.
	New members automatically enrolled				
Buddy	Seasoned Members				

MENTORSHIP PROGRAM

Preparing for a leadership role

Mentee	1+ years	Based on experience of mentors and goals of mentees.	The Mentor assists the Mentee in achieving individually customized program goals related to leadership development.	Structured guidance to achieving goals including monthly communication between the Mentor and Mentee.	Reception for current and past Mentorship Program participants.
	experience with NCPDP and a desire to pursue a leadership path within the organization.				
Mentor	Seasoned Members	Limited to four to six teams per year.			

Buddies and Mentors provide networking and introduction opportunities for new members and mentees.

These programs are a great way for seasoned members to gain additional networking opportunities and recognition for helping to strengthen NCPDP.
