Join NCPDP May 2 - 4, 2016 at the Westin Kierland Resort & Spa for our Annual Technology & Business Conference. This annual conference continues to be the foremost opportunity to meet face-to-face with the broadest group of healthcare industry stakeholders. It gives exhibitors, sponsors and advertisers unmatched networking, brand visibility and a platform for showcasing products and services.

Our 2016 Annual Technology & Business Conference theme, **Vision in PRACTICE**, celebrates a tradition of dedication and diligence in making our organization’s vision a reality. It captures the volunteerism of our members who share their expertise, listen and learn, and collaborate to find consensus-based solutions that are having a direct impact on improving the healthcare system and the patient experience.

Attendees come to NCPDP’s Annual Conference for cutting-edge, forward-thinking educational content, industry trends, and to learn how to leverage standards to prepare for the next wave of healthcare innovation.

Our conference attendees represent the range of industry segments including retail pharmacies, pharmacy benefit management companies, government agencies, pharmaceutical manufacturers, long-term care vendors and providers, database management organizations, healthcare consultants, wholesale drug distributors and more.

We will once again welcome NDEDIC, our dental affiliate, which will co-locate its 2016 EDI Summit with our 2016 Annual Conference, giving conference attendees the opportunity to network with dental EDI professionals during the Solutions Marketplace, keynote and featured speaker sessions, and closing night **Rendezvous** networking event.

**2016 Annual Conference Highlights:**

- Themed educational programming focused on the vision for a connected healthcare system that keeps patients safe and improves their health outcomes.
- **Six Technical** Track sessions and **six Professional** Track sessions, complete with Continuing Pharmacy Education (CPE) credits for pharmacists and pharmacy technicians.
- Candid discussion from industry thought leaders on new and innovative solutions in healthcare.
- Inspiration from keynote speaker, Rolf Benirschke, former San Diego Chargers place-kicker, and Chief Patient Officer and co-founder of Legacy Health Strategies. Rolf’s life is a story of courage, hope, faith and determination that demonstrates the power of the human spirit.

**NCPDP 2016 | Keynote Speaker**

### Rolf Benirschke

Rolf Benirschke had an illustrious 10-year career as the place-kicker for the San Diego Chargers before retiring as the third most accurate kicker in NFL history. He played in the Pro Bowl and received numerous awards including NFL Man of the Year, Comeback Player of the Year, NFL Player Association Hero of the Year, and the NFL’s most prestigious award, the Byron “Whizzer” White award. In 1997, Rolf became the 20th player inducted into the Chargers Hall of Fame.

During his second season, Rolf was struck with ulcerative colitis, an intestinal illness that required major abdominal surgery and nearly cost him his life. He returned to play for seven more seasons and created Great Comebacks, a patient support program that provides information and inspiration and has been connecting ostomy patients around the world for more than 30 years.

His experiences led him to co-found Legacy Health Strategies, a company that creates personalized patient support programs for medical device, pharmaceutical companies, and health systems. He is currently the Chief Patient Officer of Legacy Health Strategies. He has authored three books, including his autobiography, *Alive & Kicking*, and is a much sought-after motivational speaker. Rolf also devotes much of his time to numerous philanthropic organizations including the UCSD Health System, the Zoological Society of San Diego, the Crohn’s and Colitis Foundation of America, and the San Diego Blood Bank. He is also the chairman of the Rolf Benirschke Legacy Foundation. Rolf lives in Del Mar with his wife of 25 years, Mary and their four children, Erik, Kari, Tim and Ryann.

We are excited to return to the Westin Kierland Resort & Spa this year, a venue with virtually every accommodation from a full-service spa and championship golf to award-winning dining and upscale shopping. This resort, located in the heart of “new” Scottsdale, will fill you with a sense of old Arizona and delight you with a fresh, modern destination. The resort’s “Essence of Arizona” theme is celebrated daily with its “Scottish Pipes at Sunset Series,” an original tribute to the Scottish immigrants who contributed to the development of Arizona’s railroads, mines and towns. Annual conference attendees and their families are encouraged to gather around the fire pit in Dreamweaver’s Canyon at sunset to enjoy the beautiful and traditional sounds of the Scottish Bagpipes with Michael McClanathan.

There is so much to look forward to at this year’s Annual Conference, so make your reservations today.
