

March 10, 2020

Dear NCPDP Member:

Your safety is of the utmost importance! There is no higher priority to NCPDP than the safety of our employees and event participants. We are continuing to monitor the information, guidance and travel information provided by the [Centers for Disease Control & Prevention \(CDC\)](#) and the [World Health Organization \(WHO\)](#) and the [Arizona Department of Health Services](#) on the Coronavirus to ensure we are taking *all recommended precautions* for the upcoming Joint Technical Work Group Meetings and 2020 Annual Technology & Business Conference at the Westin Kierland Resort & Spa in Scottsdale, Arizona in May.

**We want to assure you that the Work Group Meetings and NCPDP 2020 Annual Conference are proceeding as scheduled! We are looking forward to productive meetings and a fun, educational conference!**

And so are attendees like you! Work Group registrations are on target. Plus, we're excited to report an increase in conference registrations as compared to 2019; strong support from our sponsors; and a packed Engagement Hall for our 2020 Annual Conference.

Watch your email and the *NCPDP Now* weekly eNewsletter for more information on our riveting keynotes, educational sessions, what to watch for in the new NCPDP Engagement Hall and how to participate in the NCPDP Foundation events. Take a look at the [Annual Conference website](#) for more information and to register for the conference!

Rest assured, we will keep you posted as we continue to plan for our Annual Conference, while also watching for any developments that may impact the events. We will provide regular updates on the situation to ensure our attendees stay informed.

We look forward to seeing you in May for our Work Group Meetings and our great, *Dream BIG, Act NOW* conference!

Sincerely,

**Lee Ann Stember | President & CEO**  
NCPDP
